DETAILED ACTION

Claim Rejections - 35 USC § 112

1. Claims 1-3, 8, 10, 18 and 20 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Lines 3-4 of claim 1 are mis-descriptive because they call for configuring a data input line for each bit of each byte of the first operand whereas Fig. 2 shows the configuring to be a function of only each byte, i.e. Fig. 2 shows 16 data input lines for a 16 byte shifter. In a similar manner in the last three lines of claim 1 “bit”, three occurrences, should be “byte”, because bytes are selected. Claims 8 and 10 are indefinite because they fail to be clearly related to claim 7, i.e. how are the recited “data input lines” related to the steps of claim 7? Similarly note claims 18 and 20.

Allowable Subject Matter

2. Claims 4-7, 9, 11-17, 19 and 21-30 are allowed.
3. Claims 1-3, 8, 10, 18 and 20 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

Conclusion

4. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

Art Unit: 2124

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
